## **Creating a News Category**

Last Modified on 24/02/2017 11:46 am AEDT

Having categories for your news articles will allow you to have multiple news modules on different pages that only display certain articles and events

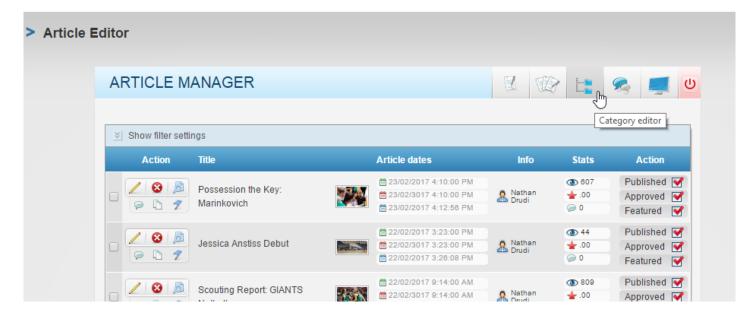

To create a new news category please follow the steps below

1. The first step is to access your Article Manger

News	
Add article	Article manager Zhashboard 🚳 Settings
	Possession the Key: Marinkovich
	West Coast Fever Head Coach Stacey Marinkovich says her side won't be rushing their ball use when they meet GIANTS Netbat this weekend.
	Jessica Anstiss Debut
	We caught up with West Coast Fever's latest debutant, West Australian Jess Anstiss.

2. We then need to access the Category Editor which is the third option along your Article Manager toolbar

Home News The Club The Team Tickets Fixtures Membership Corporate Shop Fan Zone Contact Us

3. From here simply scroll down the page and enter the new category details under

the Add Category section. The only required field is the Category Name. You do not need to have a parent category, description or image added to any category in order for it to display
